Key discussion points:

- Planning our next sprint
- Need to be efficient
- Try to communicate with each other often, letting people know what you're working on

Action items / Responsibilities:

- Goal is to finish CF-2 and CF3 by the end of the weekend, or early next week
- We will try something new this sprint, where we assign tasks to ourselves when we begin working on them. This way, people can simply work on tasks when they have time
